You are invited to the Sushi & Sake Gala, a benefit event for Densho: The Japanese American Legacy Project. Join us for an evening of Japanese American culture and history to promote the educational mission of Densho. The event starts with 90 minutes of a sushi & sake reception. Enjoy fresh sushi prepared by the city's best sushi chefs and a fantastic array of premium sake and Japanese beer, along with silent auction and entertainment. The reception is followed by a benefit dinner. Join us at our table and find out about Densho's latest projects over a light dinner, a cup of sake and dessert.

Individual tickets to this unique dining experience are \$125. The price will go up to \$175 after September 30th. There will be no tickets available at the door.

Proceeds from the Sushi & Sake Gala support the education work of Densho: The Japanese American Legacy Project. Densho promotes critical thinking and equal justice, especially during national distress, through the preservation and examination of the Japanese American experience during World War II. Densho's free online digital archive (www.densho.org) contains over 1,000 hours of video oral histories and nearly 11,000 photos and documents about the Japanese American experience. The organization also offers social studies workshops to teachers and support public education about democratic principles, civil rights, and the responsibilities of citizenship.

Go to www.sushisakefest.org for more information about the event. Please contact Densho at sushisake@densho.org or 206-320-0095 if you have questions. We look forward to getting together at the event.
